This pattern works with any hook and appropriate yarn sizes, depending on the size of the heart you want to make. :)

1. MC. Ch2 (not included in the stitch count), then working into the centre of the MC, DC3, ch1, DC3, ch1, DC3, ch1, DC3, ch1, sl-st into the first DC of the round to join.

2. Skipping the first st of the DC3 cluster, and working into the 2nd st, DC6, (all into the same st). This will create a curved "bump". Sl-st into the next ch-sp. Skip the first st of the next dc3 cluster, and working into the 2nd st, DC6, all into the same st. This will create a second curved "bump". Sl-st into the next ch-sp.
LEAVE THE REST OF THE ROUND UNWORKED Ch1.

3. Starting in the same st as the ch1, HDC in each of the next 3 stitches. (HDC, ch3 HDC) into the ch-sp. HDC in each of the next 3 stitches, (which will bring you to the start of the DC cluster on the previous round). 2hdc in each of the next 5 stitches, sl-st 3 (taking you past the centre top part of the heart) and work 2hdc in each of the next 5 stitches. Sl-st into the first HDC to join. Fasten off and weave in the ends.

Make lots and adorn the world with the yarny love! GO GO GO!

Here's a pretty little thing that just fell out of my head one day, and I thought I'd write up the pattern to share with you!

It's easy to make for a beginner with the basic stitches, and works up super fast.

A great little motif for adding to pretty much anything... headbands, hats, keychains, bags, scarves and much more.

Great for last minute Valentine's Day gifts or inventory!
